Dear Hiring Manager,

I am excited to apply for this position and have attached my resume for your consideration. Throughout my college and previous job experiences, I have gained valuable knowledge in coding through various school activities and projects. Additionally, I possess strong soft skills, including effective communication, teamwork, time management, and problem-solving abilities. My adaptability to new environments and processes further enhances my potential as a software developer.

I am enthusiastic about growing in this field and pursuing my dream career. I firmly believe that this company can play a crucial role in honing my skills and preparing me to thrive in the competitive IT industry.

Thank you for taking the time to review my application. I am eager to discuss my qualifications further and how I can contribute to your team's success.

Looking forward to your favorable consideration and hoping to hear back from you soon.

Respectfully,
Arris Ian D. Peralta
